The simple virtue of light

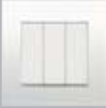

C-Vivace

The single most influential design movement of the modern age eloquently expressed

A slim, trim profile, pleasing to the eye, clean and refined, the C-Vivace is a switch and socket set that perfectly complements the modern lifestyle. Inspired by the simple, elegant minimalism of the supremely influential Bauhaus movement, every piece in this robustly constructed range expresses a pleasing form following function.

Unmarred by visible fastenings, the sleek clean lines of C-Vivace present a cool refined touch of style to almost any interior.
