## LED CORN LIGHTS

Used in homes, restaurants, galleries, gyms and marts, these SYSKA LED Corn Lights are available in different sizes and intensities. They are highly efficient lights and work effortlessly to bring vibrancy to your interiors. They are capable of covering larger spaces with better illuminating capacity and are environmentally friendly.

## LED CEILING LIGHTS

SYSKA LED Ceiling Lights are substitutes for regular fluorescent lamps. These round lights are used to illuminate private garages, corridors and lobbies. They are pleasing to look at and amplify the beauty of the spaces.
