LED DOWN LIGHTS (SWIVEL)

These elegant lights with narrow sharp beams can swivel up to full 90 deg, allowing directional aiming of the beams for maximum brightness and effect. Ideally suited for variable requirements in display and highlighting of specific spots.

LED DEEP DOWN LIGHTERS

SYSKA LED Deep Down Lighters are used mainly as ceiling fixtures. These down lights are used in relatively larger indoor places like shopping malls, showrooms, galleries etc. Their powder coated finish adds a sense of style and elegance to your interiors.
